No BST just TLC!

Little Hill Exclaim Lady 3E93
LTD: 271,071M 13,962F 8,433P

Little Hill Exclaim Lady recently broke the Lifetime Fat Production record for the Brown Swiss Breed. Her current lifetime production to date is 271,087M 13,952F 8,433P made in just 2,880 days. Lady is scored '3E93' 3E93MS. She is sired by R Hart EX Exclaim and will turn 11 years old on November 6th. Lady has made four records with over a ton of fat so far! Her best record is 45,560M 5.8% 2,661F 3.1% 1,399P in 365 days at 6-00. She currently has five sons in A.I.: a Wonderment and an Agenda at Select Sires; a Dynasty and a Wonderment at New Generation Genetics; and a Power Surge at Genex.

Lady's dam is Wind Mill SB Licorice ET '3E91' 3E90MS. A Mort Jade Starbuck daughter that made 177,286M 7,050F 5,930P in her lifetime. The next dam is Wind Mill Emory Lollie ET E91 E90MS and Lady's 6th dam is Sunny View Improved Lady 5E90.

Lady is bred and owned by Little Hill Farm in Lebanon, Penn., which is owned in partnership between Rich and Gale Hill and Kevin and Terry (Hill) Shuey. In 2008 Kevin and Terry were selected as the 2008 National Brown Swiss Young Breeders. They milk about 80 Brown Swiss and Holsteins in a recently expanded tie-stall barn. The cows are milked three times a day with a Brown Swiss RHA regularly over 26,000M 1,000F and 850P.

Lady has several daughters and granddaughters in the Little Hill herd as well as others around the country. One of which is Little Hill Lady In Red, who is scored 'VG87' and has a best record of 4-06 365D 37,928M 3.9% 1,490F 3.2% 1,213P. Lady In Red has several high producing daughters including, Little Hill PS Lilac ET 'EX90' 90MS. Other Exclaim Lady daughters include Little Hill First Lady ET 'VG89' with a best record of 3-08 365D 32,325M 1,305F 1,106P, and Little Hill LittleLady-Twin "VG85" who has a record of 1-11 305D 28,899M 1,039F 844P
