

Epp Select

We are 50/50 Sharemilker on a flat to rolling Farm in Tirau and milking 200 Cows.
Half of our herd are up graded Brown Swiss, with some purebreds
the majority of the other half are Friesian, Friesian/cross.

What we love about our Brown Swiss Cows:

- Very adaptable and quiet Animals
- Good udders with a low somatic cell count
- Enormous production potential
- A high Protein performance

Most cows Sired by: Trekboy, Prime CH / Asterix FR / Brookings, Dally US / Prossli DE

Young stock Sired by: Brookings, Golden Boy US / Rocky NZ / Zephire IT

Pregnancis: Brookings US / Pongo, Biver, Simbaboy CH / Seasidebloom CA/ Jaguar DE
